

Rationale

A Curriculum for Excellence now recognises the educational and cultural value of the Scots Language in the 21st Century.

By updating the often limited range of literature and methods traditionally used in schools with new texts and strategies, the Scots Language can provide teachers and pupils with engaging, effective learning experiences.

Course outline

The course explores a whole-school approach to Scots, looking in detail at:

- engaging ways of introducing the Scots Language to pupils
- strategies for developing Scots vocabulary
- preparing pupils for reading and writing in Scots
- identifying appropriate texts for year groups P1 - P7
- discussing the benefits of enhanced use of Scots in the classroom

Outcomes

Staff will:

- gain confidence in using Scots in their teaching practice
- receive practical ready-to-use Scots language teaching strategies
- learn about the wide range of exciting new Scots teaching material

Cost of courses:

Individual school twilight	£175	Duration: 1.5 hrs - 2 hrs
Local authority in-service	£265	Duration: 1.5 hrs - 2 hrs
